The Secretary presented a comprehensive overview of the organization's performance for the fiscal year ending April 21, 2023. The audited financial statements were distributed to members, detailing the organization's income and expenditure. **Bhuvaneshwari Seva Samsthe** remains committed to providing quality education, sustainable livelihoods, and employment opportunities to marginalized communities. The organization's initiatives have focused on improving the lives of underprivileged individuals through various programs, including: Education and Literacy: Promoting educational access and literacy rates. Healthcare: Ensuring affordable and accessible healthcare services. Livelihood Enhancement: Supporting sustainable income generation opportunities. Entrepreneurship Promotion: Fostering entrepreneurial skills and ventures. Employment Creation: Generating employment opportunities for marginalized populations. Environmental Conservation: Protecting the environment and promoting sustainable practices. Agriculture Development: Supporting agricultural growth and food security. Women and Youth Development: Empowering women and youth through targeted programs. Rural Infrastructure Development: Improving infrastructure in rural areas. The President highlighted the organization's key achievements during the year, emphasizing the successful implementation of programs and initiatives. He also outlined the organization's future plans, which were met with enthusiasm by the members. The Annual General Meeting concluded with a shared commitment to the organization's mission and a positive outlook for the future.

The main objective of the organization is to work for the overall development of the poor, downtrodden and disadvantaged section of people without any discrimination of castes, creed or religion so that the targeted beneficiaries join together, generate a fellow feeling, work together and devote themselves positively for mutual development and the overall development of the society.

VISION

Bhuvaneshwari Seva Samsthe envisions empowering resource-poor communities to organize themselves in a collaborative spirit, develop, manage and run welfare activities/schemes for the larger benefit of the community, and helping them join the mainstream of society.

MISSION

It is the mission of the organization to work for sustainable holistic development by empowering rural communities particularly women and other socially ignored sections, by providing them quality education, health care, social welfare, skill development training, and creating awareness of the Conservation of the environment and inculcation of values and culture, thereby achieving the overall objective of contributing to the all-round development of the deprived section of the society.

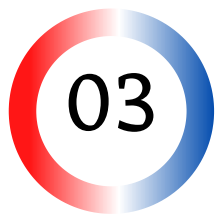

Geographical Area

Bhuvaneshwari Seva Samsthe is working in many districts of the state of KARNATAKA. It has taken up various development programs for providing skills-building training, and activities to develop education, women empowerment, and health.

It is a matter of credit for the organization that its activities through various programs have reached more than two lakh of people, particularly in the weaker sections of the rural and urban areas, and made commendable changes in their living conditions. This has been made possible by the community-led development programs and networking of organizations working in the related areas besides various other factors put in by the organization.

Collaboration with Government Bodies and CSR Agencies

Bhuvaneshwari Seva Samsthe has been dedicatedly working with various government bodies and CSR funding agencies over the past three years. Since 2021, our organization has received substantial support and grants that have been instrumental in driving our initiatives forward. We began our collaboration with the **Government of India** and the **Government of Karnataka**, focusing on projects that aim to uplift and empower communities through various developmental programs. Our engagement has been marked by transparency, accountability, and a shared vision for positive societal impact.

In addition to government support, we have also partnered with several **CSR funding agencies**. These collaborations have allowed us to implement projects efficiently and extend our reach to more beneficiaries. The financial backing and trust from these esteemed entities have helped us create sustainable models for community welfare, education, health, and skill development. We remain committed to our mission of serving society and making a meaningful difference.

Technical Management

The management information system in the organization keeps the board of members informed about all financial and program implementation activities in the organization. Regular monthly meetings are conducted with the concerned project/office staff for reviewing the program activities. Detailed deliberations are conducted in the meetings and decisions are arrived at after reaching a consensus on major issues. Reporting relationship is also maintained both upwards and downwards with regular flow of information. The board also reviews the work of the organization and gives necessary direction based on feedbacks from the field.

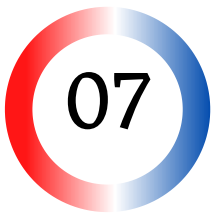

As far as financial management is concerned, the organization is guided by transparency in operations. A computerized accounting System is in place and tally software is implemented for accounting purposes. A monthly financial statement is prepared to monitor the financial status of each project. All the accounts (Cashbook and ledgers) are maintained on daily basis. For different projects, separate books of accounts, records are maintained and the same are audited by an external auditor. The organization has bank accounts in a nationalized bank and further need-based bank accounts are opened and operated by the organization. Periodical reports are generated for MIS purpose and submitted to project sanctioning authorities as per guidelines.

Rapport and Liaison of the organization

The organization maintains good rapport and liaison with various government departments at all levels who have been always helping the organization in implementing programs. It also continues to maintain good liaison with all the funding organization that have supported the organizations not only in the past but also under the ongoing program. Further at the grass root level also close coordination is maintained with PRIs, CBOs, social activists, community leaders etc.

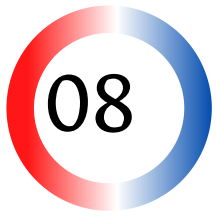

Organizational Policies

Human resource policy: A well laid out HR manual containing modern management principles guide the organization in all spheres of HR functions comprising recruitment, appointment, job responsibilities, remuneration, increment, leave entitlements, statutory compliance, up-gradation of management skills, disciplinary behavior, and resignation/termination and exit interview. These enable the individuals concerned to bring forth their best for the betterment of the organization.

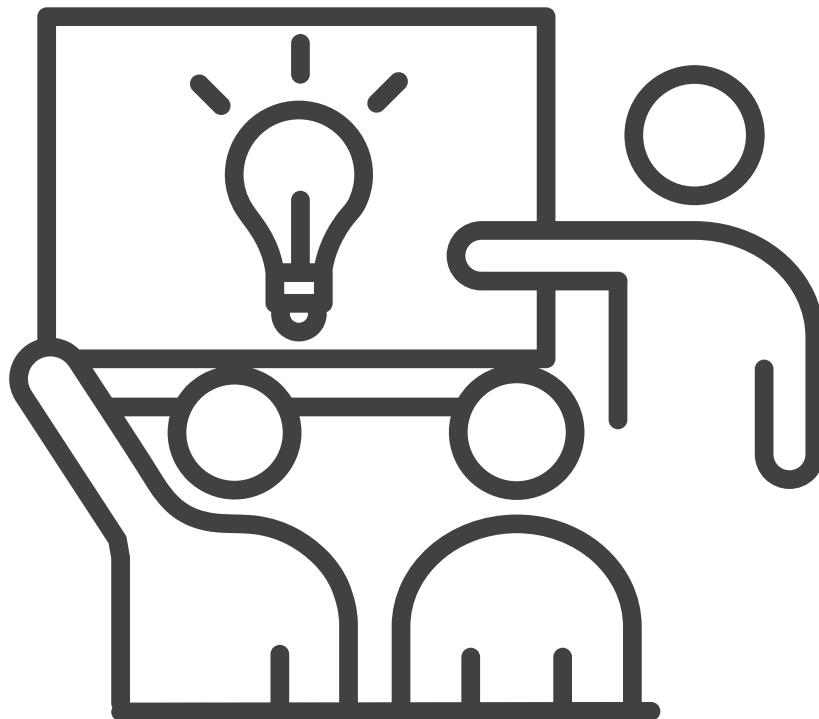

Procurement Policy: A transparent procurement policy is followed by the organization for purchase of all materials required for program implementation and office requirements. Competitive quotations are invited and the same are compiled and studied before finalization of orders without making compromise for quality and price. For procurement of large scale items advertisements are issued in news papers inviting tenders. Comparative studies are conducted and negotiations are done with short listed parties to further economize on rates so that precious resources are not spent wastefully

Financial Policy: Prudent financial policy is pursued to ensure transparency. A computerized financial package (tally system), is in place which ensures accuracy. Bank accounts are maintained with nationalized banks. Further program-specific accounts are opened and operated as per guidelines and requirements, if any of the concerned projects. Annual accounts are invariably audited by Chartered Accountant and the same are published for information of all concerned.
